Well managed so far 2. Informative 3. Great the schools come together 4. Great opportunities 5. New friends made across the MAT 6. School is much better managed as part of the MAT 7. Sorry to say I do not pay much attention to the bigger picture. I am only interested in what happens at Grampound Road school and my child's class. 	<ol style="list-style-type: none"> 1. I do not think that the children that misbehave are dealt with in an effective manner. Please see attached our behaviour policy and consequences. 2. Homework and spellings are too hard for their age. This is constantly reviewed. Please discuss with teacher. Spellings are matched to the new curriculum. 3. Change of staff unsettling for the children. New staff structure is consistent and stable. 4. Homework sporadic and not always targeted for the child and why is homework set in holidays when this should be the time for children to enjoy their time with family and parents should not be chasing their child to do homework. Homework is set weekly. 5. Fell like school is run like a business and worry about losing its individuality. Children are at the heart of all of what we do. 6. Wish meetings were not in school time – some parents work. We offer parents meetings/forums during school time and after hours. 7. Parents of Reception children should have more than one parents evening to track their child's progress. Reception teacher holds focus pupils meeting in addition to these and you can request additional meetings too. 8. School menu odd – should be more input from children. Menu is created by catering company ensuring we meet all food standards meaning there is appropriate amount of sugar, salt and a balanced weekly menu. 9. Why finish at lunch time on last day it causes a lot of disruption for parents. This is only at the end of a term and will be reflected upon.
