

Tater Du homework project for Summer.

Next term our key question is 'Was life as a pirate always plain-sailing?'

We are looking forward to learning all about what life was like for pirates and the history of famous pirates.

<u>1. ICT</u> Create a wanted poster for a pirate. What reward will you offer to the person that finds the pirate?	<u>4. History</u> Research the history of pirates in Cornwall and find out if there are any famous routes that they embarked on.	<u>7. Maths</u> Find out about a route that pirates would have taken, can you calculate the distance that they would have travelled?	<u>10. Science</u> Can you find out about the diet that pirates might have had? Create a menu for a pirate.
<u>2. English-research</u> Research different pirate ships, what can you find out about life on a pirate ship?	<u>5. Geography</u> Create a treasure map of your local town for somebody else to use. What will be your treasure?	<u>8. Maths</u> Design a treasure chest to store your treasure. Create your own code for someone to crack to let them into your treasure chest.	
<u>3. DT – designing and making</u> Design your own telescope to use on your pirate ship.	<u>6. Art</u> Visit a beach and draw a picture of the landscape.	<u>9. Geography/Art</u> Draw a map of the world and create a route for a pirate to follow.	<u>Art/ DT</u> Design and make a pirate hat.
