Dear Parent/Carer,

As part of our PSHE scheme of work we will be delivering Sex and Relationship Education (SRE). This is delivered through the award winning 'Christopher Winters Project,' an age appropriate programme that provides children with the information that they need in a sensitive and appropriate way.

Children will only have information that is appropriate to their age that is advised by the Education Authority. If you have any concerns or would like to see any of the lesson plans that we will be delivering then please don't hesitate to contact me.

Below is a summary of what each year group aims to cover in these lessons during the morning of the week starting the 3rd July 2017. In total each year group will complete 3-4 hours to cover the SRE curriculum.
