<p>Reading at home significantly supports and improves writing outcomes in school. This year we use accelerated reader to support reading at home. In school, children will be given a 'star' reading test each half term. From this, children will be set a reading range they are able to select books from. Once children have read their chosen book, they must complete an online quiz linked to their book. This can be completed at home. Each question, correctly answered, will contribute towards their end of half term score. Your child's username and password for accelerated reader has been sent via Class Dojo private message</p> <h3>Spellings</h3> <p>Children have their spelling test on a Friday at 11.15 a.m.</p> <table><tr><td><b>Week 7</b></td></tr><tr><td><b>-tion words</b></td></tr><tr><td>invention</td></tr><tr><td>injection</td></tr><tr><td>action</td></tr><tr><td>hesitation</td></tr><tr><td>completion</td></tr><tr><td>stagnation</td></tr><tr><td>nomination</td></tr><tr><td>migration</td></tr><tr><td>conservation</td></tr><tr><td>selection</td></tr></table> <p>There are alternative spellings on Tater Du's website page if these are a little challenging.</p> <p><a href="#">Spelling page on website</a></p> <p>Please let us know about your child's spelling score via Class Dojo.</p>		<b>Week 7</b>	<b>-tion words</b>	invention	injection	action	hesitation	completion	stagnation	nomination	migration	conservation	selection	<b>Monday</b>	Unit 9 Fractions 2 Lesson 1 pg 94 -96	Act the story – Ask an adult to read the story to you as you act it out.	Using mime – develop scenes using mime and write the accompanying dialogue.	Choose your favourite line in the story. Why is it your favourite?	World Book Day Dress in your favourite character and send me a photo! We will have a Google Meets today at 9.30 so that you can see what we all look like too! Textbook page – <a href="#">click here</a>	Unit 9 Fractions 2 Lesson 5 pg 106 - 108	<b>Extension</b> We often try a Countdown style Number Game in the morning. Try it for yourself here: <a href="http://happysoft.org.uk/countdown/numgame.php">http://happysoft.org.uk/countdown/numgame.php</a> Easier: Can you make 10? 20? In an imaginative way using number bonds and multiplication facts?	Locate Greece on a globe or map, identifying the continent on which it lies and its surrounding countries. Look at pictures and photographs of the Greek landscape, making judgements about physical aspects of its geography, including weather, terrain and settlements. Write a fact file or information page about Greece.	Look at the Greek alphabet with the English alphabet so you can practise reciting, writing and forming the Greek letters in your written work. Are there any similar sounds, letters or words still used in English today? There are a few interesting videos and songs on Youtube which might help you to pronounce the letters! Write me a message in Greek!	Introduction to Spreadsheets  We're going to use a program on Purple Mash called 2Calculate. I have put a link to it in your 2Dos. Click onto the second activity called "Animals". Ignore the fact that it says KS1 - we're all new to this! Watch the video and read the accompanying notes. Try the activity yourself.	Go Noodle	How are you feeling about coming back to school on Monday?
