Together with Love, we can Inspire, Discover and Thrive

18th March 2022

MESSAGE FROM MISS KENNEDY

Therapy dog

It was lovely to see the therapy dog in school yesterday. Charlie spent the afternoon with the Nurture group, she enjoyed all the attention and some children read stories to her. I think she was pretty tired by the end of the afternoon.

Fundraising-The final amount raised was £282.54 from the cake sale, great effort everyone, well done! Additional funds were raised by Maisie McLaughlin who had a cake sale at her mum's work, thank you Maisie you are a star!

School Improvement-Next week we will have an important visitor in school. Paul Hodson works for the trust; and he supports the schools in school improvement. He visits every school several times per year. He will be in school on Thursday afternoon and his focus will be on SEN provision, Maths and personal development.

Assessments-On the week of the 28th of March the children will have reading and maths assessments in school, these are for all the children from year 1-6. The assessments will help the teachers track progress and this will help the teachers with future planning. The children in the RWI programme will also have some assessments, we track phonic data every half term. The children in year 2 and 6 will complete past SATS papers. The children in years 1,3, and 5 will have NFER assessments which are for the Spring term.

Reading at home- I think this article explains the importance of reading at home very well.

Pendeen

It's been a lovely week in Pendeen class. We have been making the most of the nice weather and getting outside as much as possible. The children have been making their own little books of 'We're Going on a Bear Hunt' in literacy. In maths the children have been looking at the composition of 9 and 10, we enjoyed a whole class game of bingo too. In our PSHE this week the children have been learning about healthy eating and made themselves a small fruit salad each.

Have a lovely weekend Mrs Wilton

This week we have been enjoying our learning in topic and science. We have researched who Yuri Gagarin is and why he is a significant individual. We enjoyed recording new facts using pictures to help us remember them. We enjoyed hot seating Baby Bear during Literacy this week, he was a fun character to pretend to be!

We also found something strange on Tuesday in our outdoor area! Something has visited and left us a challenge to find out lots of information about the human body. We enjoyed playing with the slime that they had left behind and then creating mini posters to explain what each part of our bodies does. We have also enjoyed learning our song Your Imagination and were challenged to play the glockenspiel alongside the singers! Well done for a great week, Trevose. Have a lovely weekend!

Both Lucy and Zachary

celebrate their birthdays soon

What a week in Tater Du and the sun has been shining so it's been extra glorious. We have been working hard in our maths the year 3s are working through fractions and the year 4s have begun decimals. Times tables are a big focus to learn, and we have been practising our 9s this week. In literacy we have been learning the story Escape from Pompeii and the children have done some hot seating as if they were the characters Livia and Tranio. In topic this week we have been looking at volcanoes, seeing what interesting facts we can find and where the ring of fire is. This week's fabulous Friday we have done music and began learning the song "Lean on me" by Bill Withers. PSHE, we are looking at our dreams and goals and in PE we started learning about Hockey. We hope you have a great weekend hopefully the sun stays out for us.

Tater Du

JOKE OF THE WEEK: I met the bloke who invented the crossword today. I cannot remember his name: it begins with a P though. P something, T something R.

Rockers have been busy this week making inferences in Literacy. We have looked at the book cover of Darwin's Dragons and made educated guesses on what the book might be about. We have also used the text to find evidence on the behaviour and character of Mr Darwin. In Maths, we have continued working on developing our understanding of decimals and, in topic, we have been learning about rainforests and the various layers found within. Thank you to Miss Coon, Mrs Mills and Mrs Scott for all their hard work this week. Have a wonderful weekend.

We have had a wonderful day today, and the sun shone on us!

The children enjoyed toasting marshmallows over an open fire, and then using their senses to hear, see, smell, feel and taste popcorn.

The children also learnt about the Japanese technique of Hapa Zome, or leaf bashing. They identified, and chose flowers, leaves and herbs in order to create patterns on pieces of material. They then used rocks and tools to produce beautifully patterned fabric.

Hope you all have a lovely weekend, and you get to enjoy some more of this glorious weather. Mrs Mills and Mrs Warne

Charlie the therapy dog is a Springer Spaniel and she is 9 years old. She visited our school yesterday afternoon. The Bumble Bee group children enjoyed reading her stories and playing games with her. She will be coming into school every two weeks, so expect to see her around school.

ATTENDANCE

Expected average attendance for a child is 96.1%. Our attendance figures for last week were as follows:

Pendeen:91.7 % Trevose: 99% Tater Du: 94 5% Wolfrock:99.3 %

In accordance with our attendance policy we will be sending some children home with attendance letters during the term to help keep you informed of your child's attendance in line with the new RAG (red, amber, green system). Below are the band widths, as a reminder, if your child falls into one of these coloured bands a letter will be sent home.

GREEN Band 96% to 93% **AMBER** Band 93% to 90% **RED** Band Below 90% (PERSISTENT ABSENTEE) This is a government definition.

Attendance Ladder

How close are you to reaching the top?

How to contact us:

The office is open Monday-Friday 8.30am-3.30pm (lunch time is 12.30—1pm)

Outside these hours, please leave a message on the answer machine or email grampoundroad.secretary@celticcross.education. We will endeavour to answer your emails during office hours.

Contact the class teachers through dojo or if you would like to speak to the class teacher or head of school please call to make an appointment. Dismissing pupils at the end of the day is a very busy time, if you would like to discuss something in detail please call the office between the above hours and we will pass the message onto the teacher. We thank you for your patience and understanding.

Supporting young people , and their families, with positive mental health

We recognise that this time of national lockdown may be difficult for children and young people. How a child or young person reacts to being away from school, and their normal routine, may vary according to their age, understanding, their previous experience of lockdown and how they typically cope with stress. Addressing the mental health of your child, and those in your family, can be supported with some of the following resources:

Public Health England have produced the following set of guidance for parents and carers: <u>https://www.gov.uk/</u> <u>government/publications/covid-19-guidance-on-supporting-children-and-young-peoples-mental-health-and-</u> wellbeing

Every Mind Matters: A website that explores expert advice and practical tips to help you look after your mental health and wellbeing: https://www.nhs.uk/oneyou/every-mind-matters/

May we remind you that, if you have concerns about your child's wellbeing, or the wellbeing or safeguarding of another pupil, please contact the school immediately on: Miss S Kennedy 01726 882646

We would like to say a BIG THANK YOU To the Emmanuel Full Gospel Church who have given each chid a pack to go home with today.

ASTHMA REGISTER

If your child has asthma please let us know, you will need to fill a form in and

return to school along with an in date inhaler IN A CLEAR BAG WHICH IS NAMED.

Drop off and pick up times:

8.45 am—All children dropped to pedestrian gate teachers will line children up and take them to classes.

3.10pm Trevose collected from pedestrian gate.

3.15pm Tater Du and Wolfrock collected from pedestrian gate.

Pendeen will have their own transitional plans next week.

12-12.30 Pendeen & Wolfrock eat in the Hall then go out to play.

12.30-1pm Trevose and Tater Du eat in the hall.
