In other news this week...

Thank you very much to those of you who responded to our request to share your contributions for our '100 word vision' for Grampound Road Village CE School. There was a common theme: encouraging, nurturing, empowering, confidence, fun, being the best we can be, pride. My aim now is to put these words into a statement which demonstrates our passion and vision for Grampound Road Village CE School. This will be shared with all members of our community and will be a reflection of our drive forwards.

It's been a truly busy week this week and I would like to thank those parents who contributed to our Friends of Grampound Road Village CE School meeting on Monday evening. The meeting was very positive and the next one has already been scheduled for the committee members to plan some exciting fundraising events for us all. Watch this space!

Please remember to follow us **@GrampoundRoad** on Twitter to find out more.

Fun Phonics

Thank you for joining us at the 'fun phonics' session with Gribbin Class today. We hope you had fun!

Apple pressing

Thank you very much to Tim Senior who has supported us in harvesting the apples from our front garden. All the children in the school had a chance to take part in the many processes to turn apples to juice. Their 'shining write' today was to write a recount of the event.

Residential meetings

We had a great turn out for our residential information meetings: Y2 and 3 to BF Adventure and Y4, 5 and 6 to Barton Hall. If you are interested in either of these trips, please pay your deposit within the deadlines. We appreciate any feedback on these trips and we are already looking into whether we can have set trips for set year groups to allow for parents and children to plan ahead. We understand from talking to parents that the price for Barton Hall is comparatively high compared to Porthpean. If we don't get enough interest in this residential, we will work hard to provide an alternative.
