

Friday 22nd September 2017

Dear Parents/ Carers,

We have been busy this week planning our sleep over next Friday (29th September 2017). The children have been considering the important information we need to pass on in order for the experience to be a huge success. Here are some of the thoughts we've had as a team...

- Children will require a **sleeping bag, pillow and camping mat** (the camping mat is optional and some children have asked to bring in a blow up mattress, which is allowed).
- Children will need a **toothbrush, toothpaste and PJs**.
- Children will be allowed to bring in a **non-electronic toy** to use during the after school games time.
- Children may bring in **a small bag of sweets** (or similar) to eat during the movie.
- Children may bring **a torch and a teddy** (if it helps them to sleep).
- No phones are allowed to be brought to the sleep over.
- If you have a telescope or can support the astronomy session, please let us know!
- We will all wear non-school uniform for the whole of Friday.
- Collection will be at 9am on Saturday morning, when we return to Earth!

Here is a rough timetable for the day...

9am – Maths
10am – Reading
11am – English
12pm – Lunch
1pm – Space Topic Work
3:15pm – Cooking (dessert) and Art (mask making) and board games
4pm – EVA (Extravehicular Activity, Outdoor Play, space masks worn)
5pm – Homework
6pm – Dinner, in the school hall (space masks worn)
7pm – Movie
8pm – Astronomy Session or Space Disco
9pm – Bedtime Routine and Evening Snack
10pm – Sleep

Timetable subject to change!
