**Reading:**

- To read every day for a minimum of 15 minutes.
- There are a variety of e-books that can be accessed online at [oxfordowl.com](http://oxfordowl.com).
- Please have a discussion about the books you have read and continue to practice sounds daily.
- Please record the books you have been reading.

**Science:** This week we will be learning about the five senses; touch, taste, smell, sight and hearing.

1. Watch the video about the five senses: <https://www.bbc.co.uk/bitesize/topics/z9yycdm/articles/zxy987h>

What part of the body do we use for each sense? Create a poster to show what you know.

2. Find a place outside and describe it.
  - What can you hear?
  - What can you see?
  - What can you smell?
  - What can you touch?
  - What can you taste?

I have also set a 2Do on Purple Mash for you to have a go at!

Finally, remember to save any of your work to your **personal** folder so I can see that you have handed it in and then I can mark it and send it back to you 😊

Take care,

Miss Eastham x
