# "Pop Up" Dance workShop at wheal Martyn

Saturday 20<sup>th</sup> October

Dance for all the family and all ages!

Wheal Martyn are delighted to be working with Katie Green and her contemporary dance company "Made By Katie Green". Katie will be exploring Wheal Martyn clay works and the beautiful grounds, using creative dance to respond to the landscape, heritage, artefacts and buildings from the clay industry.

Katie has years of experience in dance and choreography. She specialises in developing new ways of responding to historical artefacts and heritage sites through dance. Working collaboratively, Katie creates stories that bring our shared past to life in new ways, and engage a broad audience, including those who are new to dance.

Katie will be running 2 workshops. Whether you are a seasoned dancer or a complete beginner, all the family can join in and work together as a group.
