Expected average attendance for a child is 96.1%. Our attendance for last week was:

Pendeen: 93.8 % Trevose: 98.5% Tater Du: 100 % Wolfrock: 100 %

In accordance with our attendance policy we will be sending some children home with attendance letters during the term to help keep you informed of your child's attendance in line with the new RAG (red, amber, green system). Below are the band widths, as a reminder, if your child falls into one of these coloured bands a letter will be sent home.

### PENDEEN CLASS NEWS!

EYFS have been busy making cressheads in class this week.

The children put one in the cupboard to see if it would grow as an experiment. We are going to check on it over the coming weeks. We are all excited to see the result.

Year 1 children have been learning about important people like Florence Nightingale, Usain Bolt and Barack Obama.

It has been a very interesting week.

### TREVOSE CLASS NEWS!

This week in Trevose we have been reflecting on the Easter story and designing our own Easter eggs using different symbols to represent the parts of the Easter story. We have been thinking about why we have Easter eggs at this time and what the Easter story means to Christians. In Maths we have been solving word problems using addition and subtraction and challenging ourselves to write our own word problems for somebody else to solve! We have also been learning about 2D shapes. We have begun writing our own versions of our class story and have been excited to share our own ideas about plants, animals and objects that come to life and speak!

### WOLF ROCK CLASS NEWS

In Wolf Rock this week, we have been continuing our work on the story 'Kidnapped' by innovating the text and changing elements of the story. The children have been given the amendments to the story and have created a new text.

In Music, we have been learning the words to the song 'You've Got A Friend' and look forward to performing this in Collective.

Worship before Easter. Finally, in Art, the class have created a montage of a Japanese landscape using paint, pastels or chalk.

### TATER DU CLASS NEWS!

We've had a great week exploring fractions and writing our own Journey stories in Literacy. Our focus last week was on RE, and we considered why the day Jesus died is called Good Friday. The Year 3s have started a course of cricket sessions with Chris Hunkin and are really enjoying learning some new skills and working with other year groups. We also started an Orienteering unit last week and everyone was brilliant at finding clues on a map and remembering map symbols. Thank you for your support with the incredible World Book Day outfits!
