BBC Bitesize

BBC Bitesize are offering 12 weeks of lessons at <https://www.bbc.co.uk/bitesize/dailylessons>.

If you click on your child's year group, there are some guided lessons on English, Maths and a Foundation subject each day. On first inspection, they should just be revision of concepts that we have already covered earlier in the year and may be less challenging for some children, but they are fine to use instead of these suggestions if you'd prefer.

Maths:

After using TTRockstars, please try the following activities each day:

- A "Fluent in 5" activity as a starter for your year group.
- A "Rapid Reasoning" activity for your year group
- Go onto <https://whiterosemaths.com/homelearning/> for your year group and try the activities in SUMMER TERM Week 3 (beginning 4th May - Y3 Money, Y4 Multiplication and Division).

Literacy:

I would like you to do a little research on VE (Victory in Europe) day. There were lots of events planned to celebrate 75 years since this momentous day, but unfortunately they have had to be cancelled due to the current situation. It is important that you know about this

moment in History and maybe your grandparents or great grandparent would be able to tell you a little about it. You will study World War 2 in more detail in Mr Salway's class. This week try to research VE day; what it was, why it happened, what they did that day. I have included a pdf from the Royal British Legion that gives a brief outline and suggests some activities.

CBBC also have some resources at:

<https://www.bbc.co.uk/newsround/48201749>

<https://www.bbc.co.uk/cbbc/watch/horrible-histories-songs-ve-day-song>

You could try some of these tasks:

- VE day diary template.
- VE day word search.
- VE day recipes.
- VE day Morse Code challenge.

Reading:

- To read every day for a minimum of 15 minutes.
- Keep on top of your AR quizzes. I will be checking although I appreciate that you may be reading longer books.
