### TREVOSE CLASS NEWS!

Trevose enjoyed a well-deserved treat day last Thursday. The children loved using their bikes and scooters on the large playground. We were very impressed by their agility and control. Everyone understands why it is important to wear helmets to keep safe. We also read some new story books together. We will look forward to having more events and trips in the next school year.

### WOLFROCK CLASS NEWS

We had some interesting discussions last week when thinking about relationships and what makes a family. In Literacy, we acted out the short film that we have been studying called "Dangle", and in Maths we are finishing off our measurement units. We successfully achieved our 5000 dojo target last week, so we are busy planning our final treat day of the year. Our transition morning was great, and it was fabulous to meet some new classmates and work in our new, larger classroom! Our photos shows a task we worked together on that morning: make a clock that shows quarter past eleven! Thank you to the parents for your support this year and have a brilliant summer.

### LONGSHIPS CLASS NEWS!

Peter Pan rehearsals are well under way. The children have put so much effort in this week and it is looking great- we are so excited for you to see the show during our final week of school. Don't forget we have a dress rehearsal for Peter Pan on Friday morning. Please bring all costume items into school.

Longships were fantastic during sports day. They have done themselves proud with such a great attitude, especially when supporting younger pupils and their peers. Amazing role models- well done!

### TATER Du CLASS NEWS!

This week, Tater Du have been busy practising - practising for Sports Day, Geevor Dance Festival and Peter Pan. These activities have really helped to bond the class and the children have been super-supportive to one another. The Year 6 children are really getting excited for the Prom on Friday and the Leavers Service next Tuesday. Peter Pan rehearsals are really coming along but children need to make sure they are learning their lines at home.

### GRIBBEN CLASS NEWS!

Gribbin class enjoyed going off into house teams this week to make their team flags. The children's first school sports day was a great success. They took part in a running and an egg and spoon race. We have been reflecting about the children's successful first year of school and the children have all been stars as usual!!

## Message from Miss Kennedy

As we near the end of another school year. I would like to take this opportunity of thanking all our parents and carers for their support. All the staff have worked tirelessly at steadying the school and ensuring that the children received good teaching, learning and emotional support. We feel we have been successful in many areas, results have improved and the school feels calm and friendly. Next year we will be developing a broad and balanced curriculum with more trips and events. We would like to invite parents into school more for project days, collective worship, workshops and forums. I wish all the children, parents, carers and staff have a wonderful summer. I hope we can all work together and continue to raise standards at Grampound Road School. I firmly believe we can make our school a great school.

Thank you to everyone that attended our Sports Day on Tuesday, I am sure you will all agree that it was a fantastic afternoon. All the children put in a fantastic effort in very warm conditions!

Thank you to the PTA for the very kind donation of cold lollies!
