Reading at home significantly supports and improves writing outcomes in school. This year we use Accelerated Reader to support reading at home. In school, children will be given a 'star' reading test each half term. From this, children will be set a reading range they are able to select books from. If your child has finished reading books from the Oxford reading tree and has been given an Accelerated Reading record please continue to complete quizzes at home. Once children have read their chosen book, they must complete an online quiz linked to their book. This can be completed at home. Each question, correctly answered, will contribute towards their end of half term score.
