MESSAGE FROM MISS KENNEDY

We have had a busy and productive week in school, and we are preparing for the Summer term, the topic boxes have been ordered from the library, the topic plans are being worked on, the phonic groups are being reviewed, and the PDR's are being reviewed. Next term will see the return of the national tests, KS2 and KS1 (years 2 and 6) will have their SATS tests, the year 4's will have times tables tests and the year 1's will have phonic screening tests. The teachers will run a parent forums to discuss the SATS, I hope this will support both children and parents. Knowledge organisers and topic homework will be sent out today.

Fabulous Friday survey-Thank you to those who took the time to complete the short survey on Fabulous Friday. The results have shown us that 97% of parents would like the provision to continue, which is great news. It was lovely to read your comments.

"I think it's brilliant for their wellbeing. My child loves Fridays and I love the practical and social skills he is learning."

"Both children have thoroughly enjoyed their fabulous Friday's, in particular Wild Tribe, but also learning Spanish."

"One reason we started the school, thought it was an ace idea."

I will let you know the final results once the children and staff surveys are complete. As staff we endeavour to be innovative and to provide the children with a wide curriculum which is matched to the needs of the children in our community. I am very proud of the nurture group, the Fabulous Friday provision and wild tribe. I know Mrs Warne and Miss Mills have some good ideas to develop the wild tribe provision over the Summer term.

Have a wonderful Easter holiday everyone, thanks to everyone for the hard work and support.

Pendeen

Birthday wishes to Abi and Seb

It has been a busy week in Pendeen class. We have been learning about the Easter story in RE. It was nice to have Claire from Tesco's pop in with some hot cross buns for the children to try. The children have also been making Easter gardens, decorating the cross with flowers and had an egg hunt. In our maths work this week the children have been continuing their work on repeating patterns. The children also achieved their Class Dojo target and received their reward of some time on the bikes. It was lovely to be able to welcome in some parents for a stay and play session. I know that some of you appreciated the opportunity to come in and have a look around the classroom.

We hope that you enjoy your Easter break.

Trevose

What a lovely week!

On Tuesday we had a lovely afternoon learning about different healthy snacks that we can make. We worked together to make: amazing avocado crackers, fruity scones, veggie dips and fruit kebabs. It was so much fun and the children were fantastic at working together to make each other some tasty treats to have as a class picnic. The cherry on top was that the

sun stayed out too!

We finished and published our own stories this week and we are looking forward to sharing them with our friends and families. The children have worked so hard this half-term and I am incredibly proud of them all.

Have a lovely Easter! 😊

Happy birthday to Edith and
Alice

Tater Du

What a term we have had. You have engaged so well in all your lessons it's been fabulous!

In Literacy the children have finished their setting descriptions and there have been some brilliant ones. We have been learning the song lean on me this week and the children sang really well. To finish off our topic we have made our own erupting volcanoes which was great fun. Then to top off end of term it was our week for wild tribe which makes Fridays that bit more fabulous!

We hope you all enjoy the Easter break and we will see you all refreshed and ready to rock next term.

JOKE OF THE WEEK: What does a storm cloud wear under his raincoat?

THUNDER PANTS !!!!!!!

Happy birthday to
Harley C

Wolf Rock

Wolf Rockers have had another busy week! We have used IT equipment to type up our informal letters to Da (using Darwin's Dragon story as inspiration) and have started planning our formal letters!

In maths we have all been working really hard on measurements and have focused on converting miles to kilometres. We used a new app in science this week to assess what we have learnt this term; this was incredibly exciting as Wolf Rock have been waiting to use their QR codes in the quizzes and it was great fun having to rotate our QR codes for Miss Coon to scan the answers in.

We will be using these short quizzes a lot more next term in different subjects.

The fossils have been sent home this week so the children can share what they made in Science.

I hope you have a relaxed two weeks off and hopefully enjoy some sunshine!

WILD TRIBE

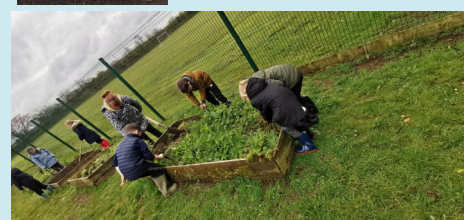

Hello Wild Tribers

The weather hasn't been as kind to us this week, but we persevered through it all; we are fearless Wild Tribers! We got muddy and slightly damp, but the results will be worth all the hard work, when we get a crop of veg, and a display of beautiful flowers.

We hope you have enjoyed sharing the gifts that your children have made, as much as they did in creating them for you this term.

We hope you all have a fun filled and relaxing Easter break, and hopefully the weather will be a bit kinder, and brighten up for us.

Mrs Mills and Mrs Warne

WILD TRIBE

TESCO CAME TO VISIT GRAMPOUND ROAD SCHOOL

On Monday we were lucky enough to welcome into school Claire from Tesco's St Austell. She explained to the children about the hot cross buns that we eat at Easter. Claire brought some of the spices used to make the hot cross buns and explained some of the history behind to Easter treat. The children were all given a hot cross bun to eat.

Thank you to Tesco's for providing the hot cross buns and to Claire for taking the time to come and talk to the children.

Supporting young people, and their families, with positive mental health

We recognise that this time of national lockdown may be difficult for children and young people. How a child or young person reacts to being away from school, and their normal routine, may vary according to their age, understanding, their previous experience of lockdown and how they typically cope with stress. Addressing the mental health of your child, and those in your family, can be supported with some of the following resources:

Public Health England have produced the following set of guidance for parents and carers: <https://www.gov.uk/government/publications/covid-19-guidance-on-supporting-children-and-young-peoples-mental-health-and-wellbeing>

Every Mind Matters: A website that explores expert advice and practical tips to help you look after your mental health and wellbeing: <https://www.nhs.uk/oneyou/every-mind-matters/>

May we remind you that, if you have concerns about your child's wellbeing, or the wellbeing or safeguarding of another pupil, please contact the school immediately on: Miss S Kennedy 01726 882646
