Year 2s have been learning different strategies for adding and subtracting. We have been focusing on using a hundreds square to add or subtract 10. In literacy, we have been continuing with RWI and Literacy groups. Trevoze has been learning about seeds and have been writing diary entries to document the growth of the seeds we planted last week. Pupils have thrown turbo javelins and tennis balls, honing techniques to be able to throw maximum distances. We have identified where power comes from and how to increase distance using a crow hop movement pattern. Lucas, Fraser, Noah, Reya, Bethan and Oliva have great throwing arms and successfully threw over 15m.
