

Nurturing God's gifts with compassion and drive, so that all our children succeed, learn and thrive.

Dear Parents, Carers and Children,

We hope your children are enjoying, and being inspired by their new topics! If you have any expertise in any of the learning that is due to be covered this term and you would be willing to share this with the classes, then please let the class teachers know.

As it is the beginning of the term, please could I remind you to drive and park courteously around the school grounds, and in the morning remain with your children until the gate opens at 08:30. Thank you.

We would like to thank you for the responses to the lunchtime questionnaire at the end of last term.

We will notify you of the results of this survey as soon as possible.

A promotional poster for the TV show 'LEGO Masters'. The background is a light blue sky with white clouds. In the center, the words 'LEGO MASTERS' are written in large, bold, red letters. Above the text, there are two grey, blocky clouds. Below the text, there are several colorful LEGO creations: a large, multi-colored robot-like figure on the left, a rainbow in the center, a small red car with a person inside, a brown cake-like structure, a yellow and black helicopter, and a green and yellow boat on the right. At the bottom, there is a line of text in black: 'Do you love to build awesome creations? We are looking for brick obsessed pairs of all ages to register interest in a second series of 'LEGO MASTERS' on Channel 4 to find Britain's most talented amateur builders.' Below this, there is a line of text in blue: 'Please email build@tuesdayschild.tv to register your interest. If you are under 18 please ask a parent or guardian to email on your behalf. Unfortunately, we won't be able to answer all the requests individually. Applicants must be 9+.' In the bottom right corner, there is a logo for 'TUESDAY'S CHILD' with a red bird icon above the word 'CHILD'.
